

"DECOY DUCK"

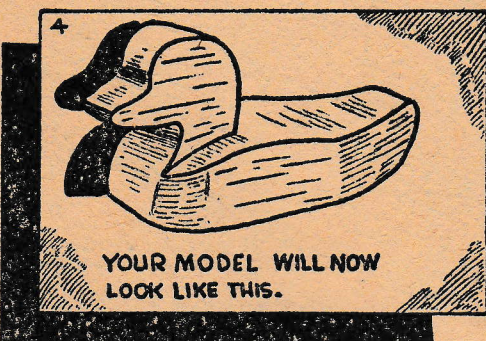

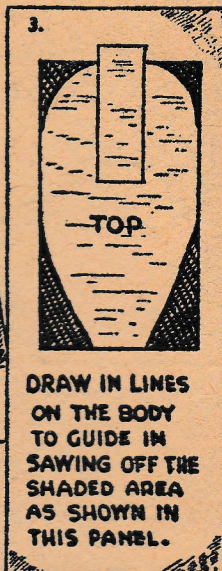

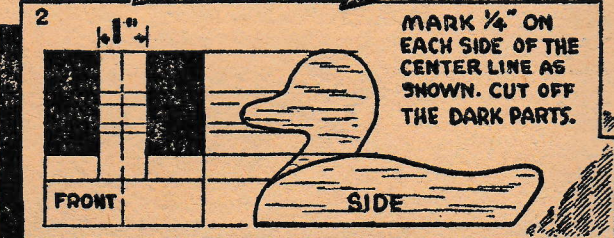

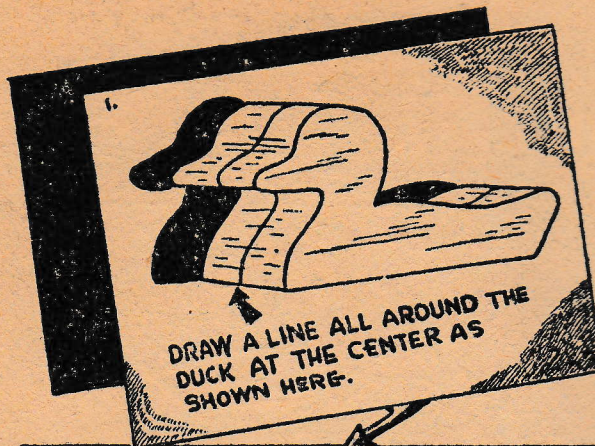

This

WHITTLED DUCK CAN BE USED AS A BATH-TUB TOY OR AS AN ORNAMENT. IT WILL MAKE A GOOD HUNTING DECOY IF IT IS MADE TWICE AS LARGE.

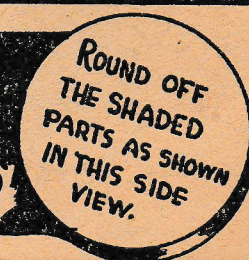

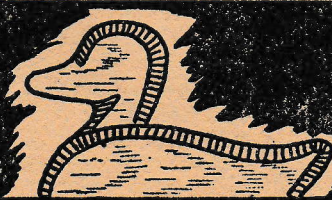

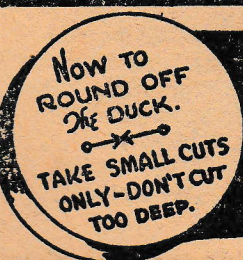

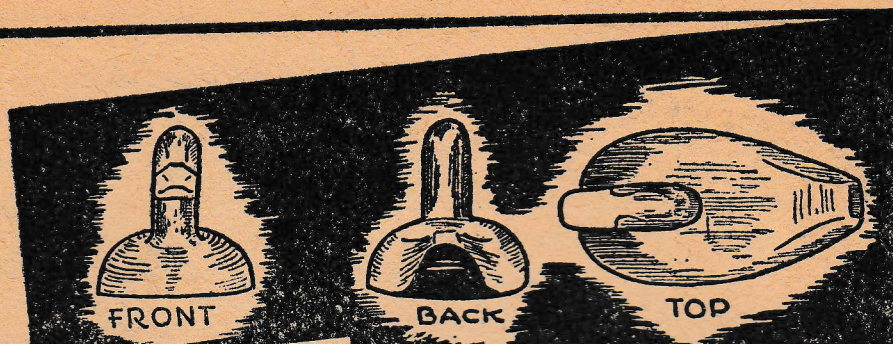

LAY OUT

ON A HEAVY CARD, DRAW HALF INCH SQUARES. NEXT DRAW THE SIDE VIEW OF THE DUCK.—USING YOUR SQUARES FOR GUIDES. CUT OUT THIS DRAWING AND PLACE IT ON A PIECE OF WOOD 2½" THICK. SAW OUT THE ROUGH MODEL WHICH WILL LOOK LIKE THE PICTURE AT THE LEFT.

FOLLOW YOUR DRAWINGS CLOSELY. IT WILL MAKE YOUR WORK EASIER. THIS IS NOT A TOUGH JOB. BE PATIENT.

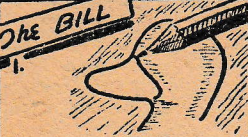

ROUND OFF THE HEAD, NECK & BODY AS SHOWN IN THE ABOVE 3 PICTURES. DO NOT CUT THE BILL YET. JUST THE PARTS SHOWN

The BILL

WILL BE FOUND A LITTLE HARDER TO DO THAN THE REST OF THE BIRD.

AS BEFORE - FOLLOW THE PICTURES AND WORK FROM THEM.

The BILL

MARK THE BASE LINE AS SHOWN

WHITTLE OUT THE DARK PARTS SHOWN IN 2 & 3

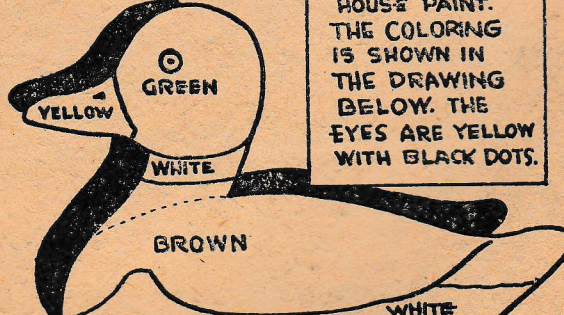

FRONT VIEW

finishing

SANDPAPER THE DUCK TILL IT IS SMOOTH. DO NOT LEAVE ANY MARKS AS THEY WILL SPOIL THE FINISH WHEN YOU HAVE PAINTED YOUR WORK.

Now to Paint ---

painting
